

Capability Statement

Team Ronco Incorporated is a trusted federal value-added, turnkey system integrator specializing in comprehensive communication solutions. We provide end-to-end services, including system design and installation, to ongoing support. With decades of experience supporting federal agencies, we service a broad range of acquisition vehicles and work in partnership with IT prime contractors and general contractors. Our long-standing history of collaborating with Contracting Officers and Contract Specialists across multiple agencies enhances our ability to deliver effective, compliant, and mission-ready solutions.
