

10 Good Reasons To Finance- At A Glance

1. Conserve Cash

With financing from Cisco Capital your cash is not tied up in equipment costs. Financing frees up cash for more strategic investments, or for the innovation required to grow your business.

2. Preserve Credit

Use Cisco's financing so you don't tie up your lines of credit, leaving more capital available for when needs arise.

3. Total Solution Financing

With Cisco Capital, you can finance up to 100% of your equipment costs in addition to soft costs such as maintenance, software and services. Subject to some limitations, Cisco can also finance the complementary non-Cisco equipment components of your total solution.

4. Fixed Payment

A fixed monthly or quarterly payment helps you to predict and manage budget over the long term.

5. Cash Flow Management

Pay for equipment as revenue or productivity benefits are generated from the equipment, and not before. This allows you to match inflows to outflows.

6. Flexibility

Structure payments to fit your budget. Cisco Capital offers a variety of traditional and customized structures to meet your needs.

7. Avoid Technology Obsolescence

Financing offers you the flexibility to upgrade to new technology to match your current and future business needs.

8. Off-Balance Sheet Financing

Off-balance sheet financing can help you:

- Maintain compliance with bank and loan covenants
- Stay within capital budget constraints
- Improve certain financial ratios

9. Purchase And Renewal Options

Financing provides you with end-of-lease options and ongoing flexibility to return, purchase, or upgrade your equipment as your business requires.

10. Deferred Payments And Other Benefits

Payment deferral options and further financing offers and programs are available to ensure that acquiring the technology you need is as straightforward as possible.
